

Come Home for Christmas

Matthew West

Verse One - Justin

How long has it been
Since you felt that feeling of wonder?
Like a child wide awake
Countin' down on Christmas Eve
We're in such a hurry for life to begin
Do you ever just wish you could go
back again?
What if I told you the young and the
old you
Are not quite as far apart as you might
think?

Chorus - add Kids' Choir

Come home, come home,
come home
Come home for Christmas
Let your heart return once again
To the joy and the peace
The love and the hope
It's all right here waiting
For you to come home for Christmas
And come home for good

Verse Two - Justin and Kid

Turn around and you'll see
There's a light in the window and a
star on the tree
Leave the past out the door
All the years and the tears
Let them fall to the floor
Follow the sound of laughter and
song
Leading you back to the place where
you always belong

Chorus - All

Come home, come home,
come home
Come home for Christmas
Let your heart return once again
To the joy and the peace
The love and the hope
It's all right here waiting
For you to come home for Christmas
And come home for good

Bridge - All

Come home to a manger
Come home to a story that's still true
Come home to a Savior
Who came down from heaven just for
you

Pre-chorus - Justin

How long has it been
Since you in your heart talked to
Jesus?

Chorus + Outro - Everyone

(Snow starts)

Come home, come home,
come home
Come home for Christmas
Let your heart return once again
To the joy and the peace
The love and the hope
It's all right here waiting
For you to come home for Christmas
- *And come home for good (Justin)*
