

SONG: Behold

VERSE ONE/TWO

Behold, the King has come
Divinity incarnate
Creator of the world
Breathing our air

Behold what light has come
And the dark cannot contain it
The Savior of the world
Is finally here

CHORUS

(Everyone)

Oh, come, let us adore Him
Come, let us adore Him
For He alone is worthy
Christ the Lord

VERSE THREE

(Verse Three Soloist: Reagan Sligar / Flaxy)

Behold, the Father's love
Beyond all comprehension
He gave His only Son
To die in our place.

Go and see that empty tomb
He's not there, for He is risen
Every heart prepare Him room
Jesus Christ, the King of Heaven
